

Geberit Aqua Clean Mera Care

The Geberit AquaClean Mera Care is a cutting-edge shower toilet designed to provide the highest standards of hygiene, comfort, and independence for users. This innovative toilet combines the functionality of a traditional toilet with the advanced features of a bidet, making it an ideal solution for individuals with mobility challenges or those seeking a luxurious and hygienic bathroom experience.

Key Features:

1. Aqua Clean Technology:

- 1. Oscillating Spray Arm:** Provides thorough and gentle cleaning with adjustable water temperature and pressure.
- 2. Whirl Spray Shower Technology:** Ensures a targeted and effective clean using two nozzles that create a pulsating spray.

2. Comfort Features:

- 1. Heated Seat:** Offers additional comfort, especially during colder months.
- 2. Warm Air Dryer:** Gently dries the user, eliminating the need for toilet paper and enhancing hygiene.
- 3. Odour Extraction Unit:** Automatically removes unpleasant odours, ensuring a fresh bathroom environment.

3. User-Friendly Controls:

- 1. Remote Control:** Allows for easy operation and customisation of settings.
- 2. User Profiles:** Stores personal preferences for multiple users, ensuring a personalised experience every time.

Geberit Aqua Clean Mera Care

1. Hygiene and Maintenance:

1. Self-Cleaning Function: The spray arm and nozzle are automatically cleaned before and after each use.

2. Easy-Clean Surfaces: The toilet is designed with smooth, easy-to-clean surfaces that resist dirt and bacteria build-up.

2. Accessibility:

1. Accessible Design: The toilet is designed with accessibility in mind, making it suitable for users with limited mobility.

2. Ergonomic Seat: Provides comfort and support, making it easier to sit and stand.

The Geberit AquaClean Mera Care offers a sophisticated blend of advanced technology and user-centric design, making it an excellent choice for anyone looking to enhance their bathroom with the latest in hygiene and comfort.
